A book that talks to guys in the way guys talk! "This book should storm into your living room, demand an audience, and become every husband's best friend!" —Rick Warren, pastor and New York Times best-selling author of *The Purpose Driven Life* "I love Doug Fields! I love how he lives, how he writes, how he makes me laugh, and how he challenges me to grow. You will too. Men, read this book and improve your marriage!" —Lee Strobel, New York Times best-selling author *Having a pulse* is all it really takes to fall in love. Staying in love is another matter; staying in love requires a plan and some learned skills. "My primary audience for this book is guys (sorry, sneaky ladies)," says author Doug Fields. "I am writing in a way that most men seem to talk and learn." In *7 Ways to Be Her Hero* Fields gives, quite candidly, seven very doable actions to transform any marital relationship, guaranteed. It also includes a bonus chapter for guys to read with their wives. So if you want to understand some simple ways to invest in your marriage and be your wife's hero (again), this is the plan!

A hands-on and time-tested look at ways to pray that will strengthen your relationship with God and lead to transformation. *7 Ways to Pray* explores ancient prayer practices to help you encounter God and avoid an over-intellectualization of your faith. Each chapter shares real-life examples, is rooted in the Bible, and includes prayer exercises for individuals or groups. This is a sourcebook for prayer, not a simple to-do list. Amy is a storyteller that brings these

proven practices to life so you can make them immediately actionable. This is a great resource for your retreat, prayer group, or book club. Prayer is a gift from God; praying is a practice. We are always a simple word or single step away from a conversation with God. And yet taking that step or saying that word can sometimes feel confounding. This book draws from the deep well of Christian history to make praying a habit to enjoy in our crazy, bustling, wearying times. With seven ways of approaching prayer and practical examples of those ways to pray, you will find yourself regularly and repeatedly turning to God and finding him happy to hear from you.

Offers advice to parents on how to teach their children to stop bullying, overcome shyness, resolve disputes, resist peer pressure, and accept blame.

Imagine what life with no debt would look like? What would happen if you were to lose your job with no savings? If this has ever crossed your mind, then this is the book for you. “ No Time Like The Present ” , took place in 2014 when Prynce Michael was not living life in abundance. After being injured on his job, for eight months he found himself homeless, broke, and broken. He had hit rock bottom. Learn how he went from broke to successful business owner and the profound seven secrets that propelled his life forward. “ No Time Like The Present ” was written with “ you ” in mind. Everyone deserves a life full of abundance. No one should work forty- hours a week and not have anything to show for it. Your life can change in the blink of an eye. You have nothing to lose. The choice is always yours to make.

A guided journey for girls who want to break free from the narrow beauty ideals promoted by the media and unleash their own bold brand of gorgeousness.

An urgent and witty manifesto, *Monopolies Suck* shows how monopoly power is harming everyday Americans and practical ways we can all fight back. Something ’ s not right. No matter how hard you work, life seems to only get harder. When your expenses keep going up but your income stays flat, when you ’ re price-gouged buying medicine for your child ’ s life-threatening allergy, when you live in a hyped-up state of fear and anxiety, monopoly power is playing a key role. In *Monopolies Suck*, antitrust expert and director at the Open Markets Institute, Sally Hubbard, shows us the seven ways big corporations rule our lives—and what must be done to stop them. Throughout history, monopolists who controlled entire industries like railroads and oil were aptly called “ robber barons ” because they extracted wealth from everyone else—and today ’ s monopolies are no different. By charging high prices, skirting taxes, and reducing our pay and economic opportunities, they are not only stealing our money, but also robbing us of innovation and choice, as market dominance prevents new companies from challenging them. They ’ re robbing us of the ability to take care of our sick, a healthy food supply, and a habitable planet by using business practices that deplete rather than generate. They ’ re a threat to our private lives, fair elections, a robust press, and ultimately, the American Dream that so many of us are striving for. In this slim, accessible guide, Sally Hubbard gives us an easy-to-understand overview of the history of monopolies and antitrust law, and urges us to use our voices, votes, and wallets to protest monopoly power. Emboldened by the previous century when we successfully broke up monopoly power in the US, we have the tools to dismantle corporate power again today—before their lobbying threatens to undermine our economy and democracy for generations to come.

Hating confrontation, Shane Madison comes up with all kinds of ways to get rid of the men

in her life by getting them to dump her, until she meets a gorgeous new guy who, unbeknownst to her, is out for a little revenge after his last girlfriend took Shane's advice. Original. 30,000 first printing.

“ Easy to relate to and fun to read, with sensible advice that doesn ’ t require anything but a desire to be healthy. ” —Ken Blanchard, coauthor of *The One Minute Manager*® True wellness is about more than just health—it ’ s about living a fulfilling, well-rounded life. It ’ s about becoming and being our best selves. Yet from health to jobs to finances, it ’ s no secret that people today face a number of seemingly insurmountable barriers to achieving a secure, self-affirming sense of personal well-being. They ’ ve tried fad-this and celebrity-that because they want to change, but nothing really works or lasts. Without knowing how to achieve meaningful and sustainable personal change, many of us lack the independence and empowerment to make it happen. Filled with personal, engaging stories, *Change Your Mind, Change Your Health* reveals proven techniques used by behavioral experts, researchers, health coaches, and psychology professionals to inspire and empower people to embrace the enriching power of change. Change isn ’ t an outcome, it ’ s a process—a journey of personal independence, self-discovery, and transformation leading to a new, healthier you. *Change Your Mind, Change Your Health* leads you step-by-step down the path to conquer your challenges and harness and channel your inner power to transform your life for good. Just as the caterpillar becomes a butterfly, the power of change can unlock your hidden beauty and potential to soar. “ You are in the hands of one of my favorite friends and colleagues in the wellness field. ” —James O. Prochaska, PhD, coauthor of *Changing for Good* “ An excellent resource for anyone seeking permanent health behavior change. ” —Kathleen Cullinen, PhD, RD, executive committee for the Academy of Nutrition and Dietetics

While working in the medical field, studying the human brain, and training to be a life coach, Jennifer Garman discovered that gratitude was one of the biggest influencers of one's health and happiness. After suffering a mystery illness for almost a decade, she began to experiment with this phenomenon and soon personally experienced the life-changing effects of shifting her thoughts to become a more positive person. What she learned was too valuable to keep to herself, so Garman set off to write *Flourish: 7 Ways Gratitude Can Transform Your Life*. This book will help you: Learn how to implement gratitude yourself. Regain your health and feel better than you have in decades. Adopt a positive mindset that causes a ripple effect in your life. Get out of the rut you are in and rediscover a sense of fulfillment and happiness. Follow Jennifer on her journey back to health and true happiness
