Download Ebook American Ways A Guide For Foreigners In The United States Gary Alden

In clear language and with numerous examples, this book describes the basic characteristics of American culture: values, style of communication, patterns of thinking, customary behaviours, and underlines how they are different from the ways of other cultures. It then shows how these characteristics are reflected in the many aspects of American life which the foreigner encounters (including politics, social relations, personal hygiene, public behaviour, studying and business). The book also offers concrete suggestions on how to learn more about American culture and how to respond most effectively to the Americans one meets.

Download Ebook American Ways A Guide For Foreigners In The United States Gary

An exhaustive advice book for foreign visitors to the U.S. seeking to understand the motivations, attitudes, and actions of Americans.

In clear language and with numerous examples, this book describes the basic characteristics of American culture: values, style of communication, patterns of thinking, customary behaviours, and underlines how they are different from the ways of other cultures. It then shows how these characteristics are reflected in the many aspects of American life which the foreigner encounters (including politics, social relations,

personal hygiene, public behaviour, studying and business). The book also offers concrete suggestions on how to learn more about American culture and how to respond most effectively to the Americans one meets.

This unique book paints a revealing picture of America and its people for those foreigners who will benefit from a better understanding of America. It will also inform Americans who want to learn more about the U.S. and how it compares to other countries around the world. World traveler and teacher Lance Johnson studies cultural differences and the difficulties foreigners have understanding crazy

America, as some call it. Foreigners might come to the U.S. to work for American employers, to open branch offices or factories for their homeland employers, to start their own businesses, or go to school. Others might work for American organizations in their homelands or have American teachers there. An understanding of American culture and language will contribute to their success. As the title suggests, this book is for “foreigners.” Dictionaries say they are people who are not citizens of a country. For this book they are defined as anyone who is not sufficiently familiar with American culture to achieve success. This includes the multitudes of foreign-born, naturalized citizens who have lived in the U.S. for

Download Ebook American Ways A Guide For Foreigners In The United States Gary Allen

years and still struggle with the ways and the language. A foreigner could also be a first-generation American whose immigrant parents did not fully expose their children to American culture and they now pay the price in mainstream U.S. There are lots of other examples, too. **FORMAT** Each of the 26 chapters' brush strokes contributes to the final painting of what America is all about. For ease of understanding, the chapters are grouped into four sections. (The sections are available as individual books as well.)

- Section I - America's Heritage. This defines the historical background of why America and its people became who and what they are today.
- Section II - America's Culture. This section describes

everyday life in America, ranging from customs and etiquette, to what's on the minds of Americans, to education. Practical advice is provided for the one million foreign applicants who seek and gain admission to U.S. colleges and universities each year. Pointers are provided on the cultural differences students should expect, and how to get the most from their education. •Section III - America's Business. This explains the complex business environment, operations, and people-related customs and why the U.S. is an economic juggernaut. Information is provided for starting a business of your own in the U.S. as well as how to increase the chances of your getting hired by an American firm in the U.S. or

government and federal government? Enter How to Be an American. While author and illustrator Silvia Hidalgo was studying for her citizenship test, she quickly found that the materials provided by the government were lacking. In order to more easily absorb the information, Hidalgo started her own illustrated reference to civics facts and American history essentials. She's collected her findings in How to Be an American, a freshly designed and illustrated two-color guide to all things America.

culture or just expand your everyday vocabulary, this fun and friendly guide will help you build your skills and communicate with precision - and success!

For thousands of years, Native medicine was the only medicine on the North American continent. It is America's original holistic medicine, a powerful means of healing the body, balancing the emotions, and renewing the spirit. Medicine men and women prescribe prayers, dances, songs, herbal mixtures, counseling, and many other remedies that help not only the individual but the family and the community as well. The goal of healing is both wellness and wisdom. Written by a master of alternative healing
