This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.

From the NYT & USA Today Bestselling romance author, an addicting and electrifying story of a woman with a broken past and the man who can't fight his attraction to her...Twenty-three year old rising theater star Jill McCormick has built a life out of pretending. Pretending she's happy, pretending she's not haunted by the dark secret that shattered her world six years ago. But then she comes face to face with her new director - sexy, sophisticated, possessive, all-alpha Davis Milo. He tries to resist the actress he's cast, but the attraction between them is too powerful, and soon their private rehearsals spiral into new, forbidden territory. The passionate connection, the intense chemistry is undeniable, and it hits them anywhere, and everywhere - in the theater, on the piano, in the limo, in the restaurant...But the tragedy in Jill's past stands between them. Davis has walls too, so they can either face their fears together, or risk the deepest love and greatest passion either has ever felt...-He brings one hand behind my head and unclips my hair, letting it fall over his fingers. I tremble from his touch as a shiver runs down my spine. "I like your hair up and I like your hair down," he whispers to me, breaking down all my resistance in an instant.-

Now in paperback, this reflective and invaluable memoir tells the story of Hancock's incredible success as a musician, from his beginnings as a child prodigy to his work with artists like Miles Davis and Stevie Wonder. In Herbie Hancock: Possibilities the legendary jazz musician and composer reflects on a thriving career that has spanned seven decades, from his beginnings as a child prodigy to his work in Miles Davis' second great quintet; from his innovations as the leader of his own sextet to his collaborations with everyone from Wayne Shorter to Joni Mitchell.

God wills it! The year is 1095 and the most prominent leaders of the Christian World are assembled in a meadow in France. Deus lo volt! This cry is taken up, echoes forth, is carried on. The Crusades have started, and wave after wave of Christian pilgrims rush to assault the growing power of Muslims in the Holy Land. Two centuries long, it will become the defining war of the Western world.
