When Tudor explorers returned from the New World, they brought back a name out of half-forgotten Viking legend: skraylings. Red-sailed ships followed in the explorers' wake, bringing Native American goods--and a skrayling ambassador--to London. But what do these seemingly magical beings really want in Elizabeth I's capital? Mal Catlyn, a down-at-heel swordsman, is seconded to the ambassador's bodyguard, but assassination attempts are the least of his problems. What he learns about the skraylings and their unholy powers could cost England her new ally--and Mal his soul. File Under: Fantasy [ Midsummer Magic | Skraylings | Double Trouble | Comedy of Terrors ] e-book ISBN: 978-0-85766-215-6 From the Paperback edition.

As the Resistance attempts to overthrow their vampiric alien masters, elite Cat force member David Valentine embarks on a terrifying journey in search of a long-lost weapon that will guarantee their victory--and the end of the Kurian Order's domination of Earth.

“When I first discovered the grainy picture in my mother’s desk—me as a towheaded two year old sitting in what I remember was a salmon-orange-stained lifeboat—I was overwhelmed by the feeling that the boy in the boat was not waving and laughing at the person snapping the photo as much as he was

frantically trying to get the attention of the man I am today. The boy was beckoning me to join him on a voyage through the harrowing straits of memory. He was gambling that if we survived the passage, we might discover an ocean where the past would become the wind at our back rather than a driving gale to the nose of our boat. This book is the record of that voyage.” When he was sixteen years old, Ian Morgan Cron was told about his father’s clandestine work with the CIA. This astonishing revelation, coupled with his father’s dark struggles with chronic alcoholism and depression, upended the world of a boy struggling to become a man. Decades later, as he faces his own personal demons, Ian realizes the only way to find peace is to voyage back through a painful childhood marked by extremes—privilege and poverty, violence and tenderness, truth and deceit—that he’s spent years trying to escape. In this surprisingly funny and forgiving memoir, Ian reminds us that no matter how different the pieces may be, in the end we are all cut from the same cloth, stitched by faith into an exquisite quilt of grace. “Simultaneously redemptive and consoling with bright moments of humor . . . this story is chock-full of sacredness and hope. Cron is one of only a few spirituality authors who could articulate these themes as poignantly.” PUBLISHERS WEEKLY “Ian Cron writes with astonishing energy and freshness; his metaphors stick fast in the imagination. This is neither a simple memoir of hurt endured, nor a tidy story of reconciliation and resolution. It is—rather like Augustine’s Confessions—a testimony to the unfinished business of grace.” DR. ROWAN WILLIAMS, Archbishop of Canterbury “Ian Cron has the gift of making his human journey a parable for all of our journeys. Read this profound book and be well fed, and freed.” FR. RICHARD ROHR, O.F.M., author of Everything Belongs “Ian Morgan Cron is a brilliant writer. This is the kind of book that you don’t just read. It reads you.” MARK BATTERSON, author of In a Pit with a Lion on a Snowy Day

Kelsey Tate comes from sturdy stock. Her great-grandmother Adele endured the sinking of Titanic and made it safely to America, where she not only survived but thrived. Generations later, Kelsey works for the firm Adele founded nearly 100 years ago. Now facing a hostile takeover, the firm's origins are challenged when new facts emerge about Adele's actions on the night Titanic sank. Kelsey tries to defend the company and the great-grandmother she has long admired, but the stakes are raised when Kelsey's boss is murdered and her own life threatened. Forced to seek help from Cole Thornton, a man Kelsey once loved—and lost, thanks to her success-at-all-costs mentality—she pursues mysteries both past and present. Aided by Cole and strengthened by the faith she'd all but forgotten in her climb up the corporate ladder, Kelsey races the clock to defend her family legacy, her livelihood, and ultimately her life.

Alice in Deadland was released in November 2011 and quickly became an Amazon.com bestseller, selling more than 50,000 copies in its first three months. It was followed by its sequel, 'Through The Looking Glass' and 'Off With Their Heads', the prequel to Alice in Deadland. Now, get all three of the first novels in the Alice in Deadland Trilogy in one single omnibus edition and immerse yourself in this bestselling adventure. Civilization as we know it ended more than fifteen years ago, leaving as it's legacy barren wastelands called the Deadland and a new terror for the humans who survived- hordes of undead Biters. Fifteen year-old Alice has spent her entire life in the Deadland, her education consisting of how best to use guns and knives in the ongoing war for survival against the Biters. One day, Alice spots a Biter disappearing into a hole in the ground and follows it, in search of fabled underground Biter bases. What Alice discovers there propels her into an action-packed adventure that changes her life and that of all humans in the Deadland forever. An adventure where she learns the terrible conspiracy behind the ruin of humanity, the truth behind the origin of the Biters, and the prophecy the mysterious Biter Queen believes Alice is destined to fulfill. A prophecy based on the charred remains of the last book in the Deadland- a book called Alice in Wonderland.

Book 2 in the Bestselling Her Russian Protector Sexy Romantic Suspense Series Refusing to lose her brother to the violent Hermanos street gang, Benny turns to Dimitri, the dead sexy Russian who lives in the apartment above her family's bakery. He's the only man tough enough to get through to Johnny and save him from a life in prison--or worse. There's nothing Dimitri won't do for Benny, even if it means dealing with her troublemaking brother. He quickly realizes that it's not just Johnny and his thug friends that pose a threat to Benny. A shady real estate developer needs to buy her bakery to secure a multi-million dollar deal and he'll stop at nothing to make her sell. Threatened from all sides, Benny finds safety in Dimitri's strong arms--and in his bed. Her big, sexy Russian has no intention of ever letting her go--and he'll brave the fires of hell before he lets anyone harm her. Reader's Note: Dimitri is an incredibly passionate man with a dominant streak--and Benny is only too happy to indulge his need for a little...restraint. keywords: alpha male, latina heroine, multicultural, mob romance, bodyguard romance, her russian protector series

William Heaney is a man well acquainted with demons. Not his broken family — his wife has left him for a celebrity chef, his snobbish teenaged son despises him, and his daughter's new boyfriend resembles Nosferatu — nor his drinking problem, nor his unfulfilling government job, but real demons. For demons are real, and William has identified one thousand five hundred and sixty-seven smoky figures, dwelling on the shadowy fringes of human life, influencing our decisions with their sweet and poisoned voices. After a series of seemingly unconnected personal encounters — with a beautiful and captivating woman met in the company of an infuriating poet, a troubled and damaged veteran of Desert Storm with demons of his own, and an old school acquaintance with whom he shared a mystical occult ritual — William Heaney's life is thrown into a direction he does not fully comprehend. Past and present collide. Long-dormant choices and forgotten deceptions surface. Secrets threaten to become exposed. To weather the changes, William Heaney must learn one thing: how to make friends with demons. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
