Addressing the increasing fervor with which the public has come to view comics as an art form and Americans' fraught but passionate relationship with religion, Graven Images explores with real insight the roles of religion in comic books and graphic novels. In essays by scholars and comics creators, Graven Images observes the frequency with which religious material-in devout, educational, satirical, or critical contexts-occurs in both independent and mainstream comics.

In essays by scholars and comics creators, Graven Images observes the frequency with which religious material-in devout, educational, satirical, or critical contexts-occurs in both independent and mainstream comics.

~~Graven Images: Religion in Comic Books & Graphic Novels ...~~

Comic books have increasingly become a vehicle for serious social commentary and, specifically, for innovative religious thought. Practitioners of both traditional religions and new religious movements have begun to employ comics as a missionary tool, while humanists and religious progressives use comics' unique fusion of text and image to criticize traditional theologies

~~Graven Images: Religion in Comic Books and Graphic Novels ...~~

Graven Images: Religion in Comics. CBR News attended the first Graven Images: Religion in Comic Books and Graphic Novels Conference to hear what James Sturm, A. David Lewis, Steve Ross and others had to say about the role of faith in comics. Faith in comics, much like in politics, is often times a considerably sensitive subject, just as often swept under the rug or kept locked in the closet than openly or impartially explored in the medium.
