In the ten years since Princess Diana ' s shocking and tragic death in 1997, her hold on the world ' s imagination has only increased. For The People ' s Princess, Larry King asked many people who knew Diana, some officially and some more personally, for their favorite memories. Sir Richard Branson recalls Diana sitting in the cockpit of one of his private planes with baby Prince William on her lap; as they flew past Windsor Castle she announced, " On our right you have Grandma ' s house! " Heather Mills, who, like Diana, has been a tireless campaigner for charitable causes, recalls Diana ' s work to eradicate the scourge of land mines, as well as the time she was photographed shaking hands with an AIDS patient in a London hospital, doing so much to counteract the stigma associated with the disease at the time. British radio and television personality Chris Tarrant recalls how clearly nervous he was upon meeting Diana for the first time, and how she put him at ease with an incredibly rude joke about Kermit the Frog. Photographer Tim Graham remembers Diana lying on the floor with baby William in order to coax a smile from the young prince. And her chief bodyguard recalls how happy and at peace she seemed on the day he agreed to her simple request: to be allowed to walk, truly alone for once, along a beautiful, deserted beach. Some of these recollections are warm and intimate, celebrating Diana for her ability to make a human connection with everyone she met, others are perceptive and revealing, even about Diana ' s human failings and frailties. Together, they coalesce into a multifaceted portrait of a woman that the world has long desired to know a little better.

Truth Be Told is a revealing and irresistibly entertaining look back on Larry's remarkable run at CNN, and an honest look at Larry's own life behind the scenes. After more than a half-century of asking questions, Larry King suddenly found everyone wanted answers from him. Was Larry King Live, CNN's highest rated program, ending after three decades? Was Larry getting divorced again? The paparazzi aimed their cameras at Larry. Jay Leno and other late-night talk-show hosts were having fun at his expense. And a cloud of uncertainty hovered over CNN. All of this forced Larry to look at changes in all aspects of his life, ultimately leading to his decision to leave Larry King Live and devote more time to his marriage and children. Larry reflects on how much the world has changed around him over the course of his fifty-year career, and he has a lot to say about everything and everyone: from marriage, politics, sports, entertainment, to the justice system, broadcasting, and the American future. Truth Be Told is a candid and surprising look inside the monumental career of one of the most powerful and legendary talk-show hosts as he signs off from the nightly television program that has been close to all of our hearts.

The former CNN host looks back on his fifty-year career, reflecting on how much the world has changed during those years, the famous people he has met, and his own life behind the scenes.

" Show me Heaven! I have seen hell. " —Patricia Neal Larry King, world-famous radio and television personality, has asked the talented, the beautiful, the wise, and the rich a question all of us have pondered: How would you like to be remembered after your death? The result is REMEMBER ME WHEN I'M GONE, an entertaining and eloquent collection of " last words " from people in the arts, in politics, in sports, and in business, mostly still alive. In telling and moving reflections, often leavened by self-deprecating humor, these celebrities look back on their lives, their ambitions, their mistakes, and their accomplishments. The contributions range from pithy one-liners by Yogi Berra (" It ' s over. "), Dave Barry, George Carlin, and Liz Smith (" Excuse my dust! "); to inspired sketches by Stephen King and Peter Falk; to candid reflections from Don Shula, Fred Rogers, and Chevy Chase; to hilarious rants from Margaret Cho and Tommy Lee; and a last request by Arthur Hailey. Often surprising and always memorable, REMEMBER ME WHEN I'M GONE is a timeless collection by stars who will live on forever.

Gathers interviews with Frank Sinatra, Barbra Streisand, Ronald Reagan, Norman Schwarzkopf, Ross Perot, Mike Tyson, Mikhail Gorbachev, Oliver North, Arthur Ashe, Whoopi Goldberg, and Marlon Brando
