Larson's Book of Spiritual Warfare is a window into a world many Christians have no idea exists. An expert on the occult, cults and supernatural phenomena, Bob Larson provides a comprehensive guide to the motivating factors of much of the deviant behavior occurring in society today.

Using archaeological, epigraphic, and literary sources; and incorporating current scholarly theories, this volume will serve as an excellent companion to any introduction to Greek mythology, showing a side of the Greek gods to which most students are rarely exposed. Detailed enough to be used as a quick reference tool or text, and providing a readable account focusing on the oldest, most widespread, and most interesting religious practices of the ancient Greek world in the Archaic and Classical periods, Ancient Greek Cults surveys ancient Greek religion through the cults of its gods and goddesses, heroes and heroines. Jennifer Larson conveniently summarizes a vast amount of material in many languages, normally inaccessible to undergrad students, and explores, in detail, the variety of cults celebrated by the Greeks, how these cults differed geographically, and how each deity was conceptualized in local cult titles and rituals. Including an introductory chapter on sources and methods, and suggestions for further reading this book will allow readers to gain a fresh perspective on Greek religion.

Get free and stay free! Behold, I set before you today a blessing and a curse: the blessing, if you obey the commandments of the Lord your God which I command you today; and the curse, if you do not obey the commandments of the Lord your God (Deut. 11:26-28) Blessings or Curses? You have a role to play and a choice to make. In this book, Bob Larson shows you how to break every curse over your life and pass on a heritage of blessing to future generations. Have you ever wondered: Are curses real? Can Christians inherit generational curses? Is there a link between sin and bondage? Jesus Christ came to break the power of sin in your life—this includes the power of curses! Curse-Breaking empowers you to: Identify and break curses in your life, family, and over your children Walk in consistent victory over the devil's strategies Use the weapons of Scripture and prayer to conquer curses effecting your emotions, finances, health, and relationship with God Through dynamic personal stories, uncompromised Bible teaching, and powerful prayers, you will learn the keys to breaking curses and walking in spiritual freedom.

Larson describes the rock-music scene and offers practical advice on how to deal with rock music from a Christian perspective.

Greek Nymphs: Myths, Cult, Lore is the first comprehensive study of the nymph in the ancient Greek world. This well-illustrated book examines nymphs as both religious and mythopoetic figures, tracing their development and significance in Greek culture from Homer through the Hellenistic period. Drawing upon a broad range of literary and archaeological evidence, Jennifer Larson discusses sexually powerful nymphs in ancient and modern Greek folklore, the use of dolls representing nymphs in the socialization of girls, the phenomenon of nympholepsy, the nymphs' relations with other deities in the Greek pantheon, and the nymphs' role in mythic narratives of city-founding and colonization. The book includes a survey of the evidence for myths and cults of the nymphs arranged by geographical region, and a special section of the worship of nymphs in caves throughout the Greek world.
