Here is a new story of a woman's fight against an ancient evil in a world of swords, sorcery, intrigue, and danger. When her life is torn apart by sorcery and murder, young Caina Amalas joins the Ghosts, the

legendary spies and assassins of the Emperor of Nighmar. She learns the secrets of disguise and stealth, of assassination and infiltration. But even that might not be enough to save her. For the evil that destroyed her family seeks to devour the entire world... Available for free in ebook format.

Intended for upper-level undergraduate and graduate courses in chemistry, physics, mathematics and engineering, this text is also suitable as a reference for advanced students in the physical sciences. Detailed problems and worked examples are included.

Introduces the latest version of the database program and provides lessons on how to create, update, and modify databases

Discover Who You Are in Christ! "You will know the truth, and the truth will set you free." (John 8:32) I am accepted. I am God's child (see John 1:12). I have been justified (see Romans 5:1). I am united with the Lord, and I am one spirit with Him (see 1 Corinthians 6:17). Your promise of self-fulfillment is told and retold in Scripture--and the road to discovering it leads to Christ and Christ alone. In this bestselling study guide, Neil Anderson poses thought-provoking questions for personal reflection or group study that will help you learn how to grow in the strength and truth of your identity in Jesus Christ. The answer to your question, Just who am I? will be changed forever by Victory Over the Darkness and this study guide.

[Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, HEA] Sally Brooks is feeling somber about her life as those around her find love. She wants to have a boyfriend or two, wants someone to hold her, make her feel loved and protected. The two men she finds irresistibly attractive are ex-military brothers Mason and Steven Marcus. But they avoid her even when she makes an effort to flirt. Fed up and overwhelmed, Sally accepts a date with Garret Walters. He's a good-looking cowboy with money and attitude. Accepting his date turns into a horrible experience. Garret and his friend Keiffer had plans to abduct Sally. It takes this incident, and the fact that Garret still wants to pursue Sally, to get Mason and Steven to open up about their feelings for her. Steven and Mason are double trouble in Sally's eyes, and they ignored her this entire time, so why should she give them a chance now when she feels like nothing more than a damsel in distress? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance

Originally published by Abt Books in 1980, this book brings together most of Daniel Bell's best work in his second career as a sociologist. The essays deal with a diverse range of topics including technology and culture, religion and personal identity, the intellectual and society, and the validity of the concept of class.

1968 looks like it'll be a pretty good year for Jaynell Lambert. The town's going to pave the dirt road she lives on, her girly-girl sister, Racine, isn't driving her completely crazy, and Grandpap has just moved in with his new emerald green Cadillac convertible. Jaynell and Grandpap have something special. But why won't Grandpap tell her the reason he visits with the dirt-poor Pickens family on the other side of town? When Jaynell finds out Grandpap's secret, the legacy of an old man transforms a family, and a town. "At once gritty and poetic, stark and sentimental . . . a solid page turner. Holt once again displays her remarkable gift."(School Library Journal, starred review)

Offers professional caregivers and teachers strategies for building relationship-based early childhood education programs in order to promote the emotional, physical, and cognitive health of young children.

Pepe, aka el Jefe, the talking Chihuahua, helps his new owner, PI Geri Sullivan, nab her first killer in the debut Barking Detective Mystery. Pepe may have soft white fur, big brown eyes, and macho attitude—but he's no furry fashion fad. Pepe can talk—even if his new owner, Geri Sullivan, seems to be the only person who can understand him. When Geri takes her first assignment for a quirky private investigator named Jimmy G and stumbles over a Seattle millionaire's corpse, Pepe proves to be worth his weight in liver treats. Suspicion falls on the not-so-grieving widow who wants to finance a reality TV show, Dancing with Dogs. Normally, Pepe wouldn't be caught muerte in a sparkly costume. However, he has to sniff out the real killer and keep Geri safe. Lesser dogs might flinch. But Pepe isn't the kind to turn tail and run . . . "Pepe is a delight!" —RT Book Reviews, 4 stars
