### Elasticsearch in Action - Walmart.com - Walmart.com

Elasticsearch in Action provides a good introduction to what Elasticsearch does and how it can be used. Unfortunately, the book seems to reference Elasticsearch 2.0 (or 2.x). As I write this review, the current version of Elasticsearch is 6.x. This is the version that is available on the Amazon Web Services managed Elasticsearch Service.

Elasticsearch is a distributed search and analytics engine. It provides near real-time search and analytics for all types of data. Whether you have structured or unstructured text, numerical data, or geospatial data. One of the key specialties of Elasticsearch is that it can efficiently store and index it in a way that supports fast searches.
