Elemental magic is a paradigm through which one uses the will to affect reality. In this paradigm magic is worked through attuning to the classical elements of Hermetic philosophy. The process of learning elemental magic involves an initiatory journey where the aspirant seeks to bask in the archetypes and currents representative of each element. Through this process one becomes empowered with both knowledge and the ability to work magic through symbolic resonance.

This simple arrangement of branches was as much of a test as anything, to see how I could reproduce the complex and twisted bark of a gnarly tree, one of my favorite things to draw, and a beautiful decorative element always.

Elemental Magic

Elemental's art style was based on the work of Alphonse Mucha - in particular, his use of "hard lines and soft tones on realistic forms" - and designed for "minimal overhead" so the game might be played on "a crappy netbook." In March 2010, Stardock CEO Brad Wardell estimated that the game would cost US\$5 million to develop.
