List of Emotions: 54 Ways to Say What You're Feeling

He published his findings in his 1928 book called Emotions of Normal People in which he explained that the four personality types (yellow, green, blue and red) arise as variations between different people in the structure of their psychonic network. According to Marston, people illustrate their emotions using four behavior types: Dominance (D), Inducement (I), Submission (S), and Compliance (C).
